

Disability services. Putting you first.

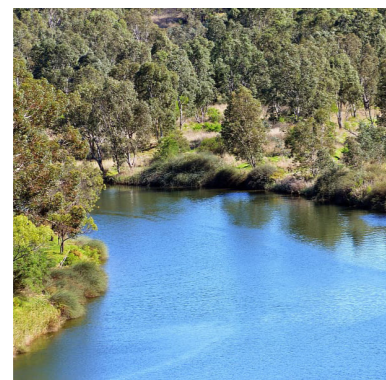

Aruma Easy English Annual Report

What Aruma did

July 2023 to June 2024

We thank the First Nations peoples.

They were the first people to live on

- The land
- The waters.

My name is Martin Laverty.

I am the boss at Aruma.

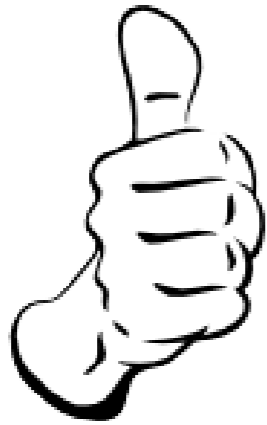

I have a team. They help us run Aruma.

We call them the Board.

My name is Candice Charles.

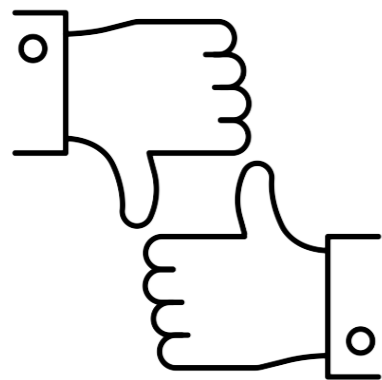

I am the boss of the Board.

Aruma had a good year.
We want to tell you about it.

We talked to people that use Aruma.

They told us what is

- good
- bad

Our Plan

We made a new Plan.
It says what we will do.
It is for the next 3 years.

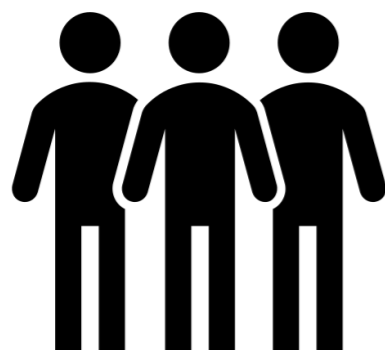

The plan tells us what we can do better.

The plan will help Aruma make life better
for people with disability.

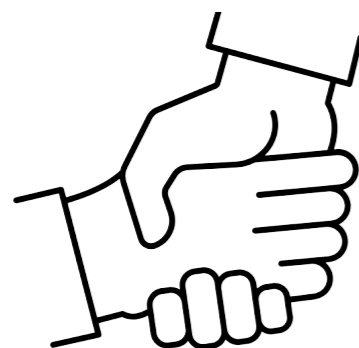

Our plan has 3 areas:

- Include

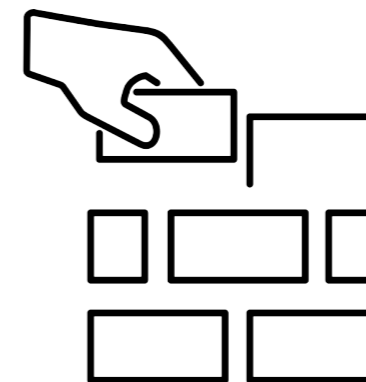

We support you to make choices.

We respect your choices.

- Support

How we help you.

- Build

We keep Aruma strong.

We will be here for a long time.

About Aruma

Aruma supports lots of people.

Aruma has lots of workers.

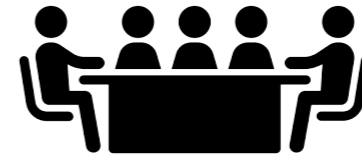

We work in lots of parts of Australia.

What we did

We had a big meeting. It is called the Human Rights Conference.

We talked about your rights.

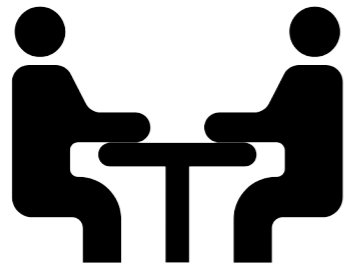

Aruma's Human Rights Committee made the event.

People with disability are part of this group.

We supported people to move into new homes.

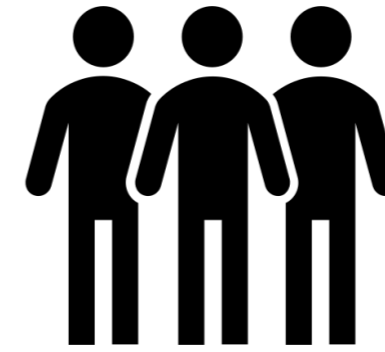

You helped us choose new support workers.

We supported people to achieve their goals.

This included:

- Being in the community.

- Coming to Aruma hubs.

We supported you to do the things you like.

It may be:

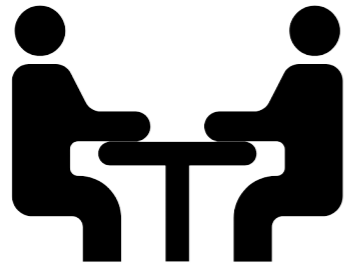

- art

- cooking

- We supported kids and young people.

- We supported people to find jobs.

- Aruma Supported Employees worked hard.

- Some workers got awards.

- Some people like Erica have been with us for a long time.
We gave her a party and award.

- The community gave us money.

- We used that money to help people with disability.

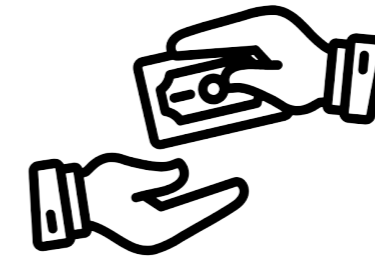

- We worked with other organisations to support people with disability.

About our money

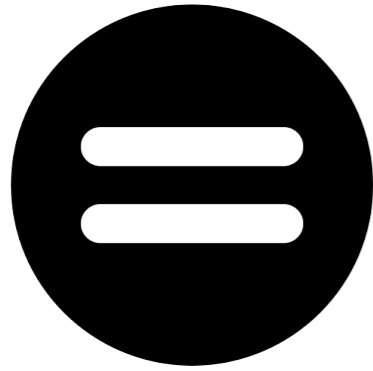

We received \$519,408,000 this year.
This is 7% more than last year.

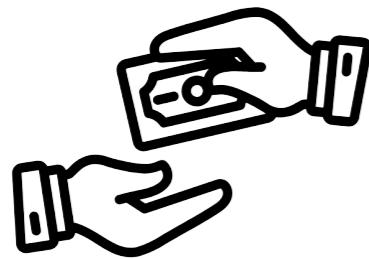

We had a lot of expenses.
We had to spend \$534,466,000 this year.

We have \$7,618,000 that is not income
or expenses.

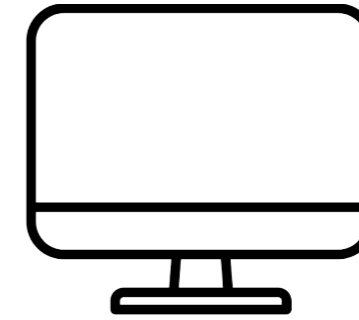

This means we made a loss of
\$7,440,000.

We lost a lot of money.
We need to make more money to help
more people.
